About Us!

Horizons at The Ethel Walker School is the nation's first all-girls Horizons program, serving 140 underserved scholars in Pre-K through 8th grade who attend Hartford public schools. Horizons creates the conditions, connections, and community that enable every girl who attends to gain the skills, confidence, and motivation to overcome the opportunity gap and realize her potential as an independent learner and thriving leader!

YES! I would like to sponsor the Horizons Comedy Night, to directly support 145 Horizons scholars in 2022.
